

Milena Schuhmacher

Professional Experience:

From July 2027	Group Leader , Max Perutz Labs, Vienna BioCenter, Assistant Professor (tenure-track), University of Vienna, Austria
July 2022 – July 2027	Independent group leader (ELISIR fellow) of the Laboratory of Chemical and Membrane Biology at EPFL, Lausanne
March 2020 - Aug. 2021	Postdoc , MPI-CBG, Dresden, PI: Dr. André Nadler

Education:

Oct 2015 - March 2020	Doctoral thesis in the group of Dr. André Nadler, MPI-CBG, Dresden
Sept 2012 - March 2015	MSc , University of Heidelberg, Dep. of Chemistry Master thesis, EMBL Heidelberg in the group of Dr. Carsten Schultz
Feb - Oct 2013	Exchange year at the University of Auckland, New Zealand
Sept 2008 - July 2012	BSc , University of Heidelberg, Dep. of Chemistry Bachelor thesis, Biochemistry Centre, Heidelberg University in the group of Prof. Dr. Irmgard Sinning

Professional skills:

Organic chemistry, cell biology, fluorescence microscopy and
image analysis, molecular biology, lipid and protein
biochemistry

Awards and Fellowships:

2020	Otto Hahn Medal for junior scientists in the Max-Planck- Gesellschaft
Sept 2013 - April 2015	Deutschland-Fellowship
July - Oct 2013	PROMOS-Fellowship for internships at the University of Auckland, New Zealand
Feb - July 2013	Baden-Württemberg-Fellowship for short time studies at the University of Auckland, New Zealand
